## COMPANY PROFILE

Established in 2011, Jiangsu Fortune New Material Technology Co.,Ltd is a national high-tech enterprise. The company is headquartered in Nantong, Jiangsu Province, with an 8,000m² production facility, and have a branch center with R&D and operation in Shenzhen, Guangdong Province. It has four subsidiaries responsible for China domestic B2B, overseas B2B, and Cross-Border B2C businesses, covering products design, R&D, production, sales, and after-sales service, forming a comprehensive trade and manufacturing system. The company' s main business include home decoration, stationery & office supplies, and functional materials. Our clients span over 80 countries and regions worldwide, and we serve over 1 million end customers annually, with key markets in the United States, the European Union, Australia, and Japan.

With over a decade of experience in production and export, we are committed to innovation, sustainability, and products reusability. Through collaborations with numerous universities, we have obtained over 15 product patents. With advanced equipment, we have enough production capacity to fulfill various customized requirements. All of our products meet China national standards and are certified under ISO 9001:2015 Quality Management System, as well as international standards like EU REACH & ROHS regulations and American Society for Testing and Materials(ASTM).

By continuously adapting to customer needs and leveraging extensive international competition experience, we focus on providing innovative product solutions. We encourage our employees to showcase their expertise and enthusiasm while delivering exceptional customer service, which is key to earning recognition from industry experts and consumers worldwide.

### JIANGSU FORTUNE NEW MATERIAL TECHNOLOGY CO.,LTD
**Established in 2015**
Engaged in domestic B2B business and OEM manufacturing of home decoration film and stationary & office supplies
Launched Home Decoration brand "Magidekòr"

### NANTONG FORTUNE GLOBAL TRADING CO.,LTD
**Established in 2011**
Engaged in overseas B2B business for PVC film materials
Launched Functional Materials brand "HOMiTEX"

# Magidékor ®
*Your Comfort, Our Priority*

## COMPANY ADVANTAGE

**1-stop** procurement service

**Over 10 years** of manufacturing and export experience

**7x24h** online sales consultation

Serving **over 80** countries and regions

**Over 1 million** end consumers served annually

**Over 15** product technology patents

Strict quality management system

Stable and efficient supply chain system

Sustainable business philosophy

Flexible and efficient production capacity

---

### SHENZHEN HOREE TECHNOLOGY CO.,LTD
**Established in 2021**
Engaged in Home Decoration and Stationary & Office supplies R&D, design, operation

### TRIIIGRO (SHANGHAI) BRAND MANAGEMENT CO.,LTD
**Established in 2019**
Engaged in Cross-boarder B2C business
Launched Stationary & Office supplies brand "HOMiDEK"
Launched PVC Table/Floor Mat brand "Dekorhino"

### FIVE-YEAR DEVELOPMENT PLAN
Build a warehousing and logistics center in the U.S., and form a local design and R&D team.

---

## ECO & EASY

### SOCIAL RESPONSIBILITY

With the global warming of the 20th century and the improvement of living standards worldwide, privacy protection, sleep quality enhancement, and environmental conservation have become increasingly important. Since its inception, the Magidekor brand has been committed to offering environmentally friendly, energy-saving, privacy-protecting, light-blocking, and decorative solutions through window film products to major clients and consumers around the world. Our mission is to guide customers and consumers in using reusable, easy-to-install window film products while continuously promoting energy efficiency and emissions reduction, contributing to the realization of carbon neutrality for humanity.

**Standard Width:**17.5"(45cm)；24"(60cm)；36"(90cm)；42"(105cm)；48"(120cm)
**Standard Length:**6.5ft(2m)；10ft(3m)；13ft(4m)；16.5ft(6m)；26ft(8m)；33ft(10m)

### NECESSARY TOOLS
Knife
Marker
Spray Bottle
Duster Cloth
Squeegee

### PRODUCT INSTRUCTIONS

1.Clean all residue, dirt, and fingerprints from window.
2.Measure window dimensions.
3.Cut film with sharp scissors, Oversize the film up to 1/2 inch on each side.
4.Separate window film from release paper/PET film.
5.Spray both the window and newly exposed side of film with soapy water before applying film to window.
6.Slide the film into position on window. Film should float on glass.
7.Lightly spray back of film and use squeegee or card to push bubbles to edges
8.Trim any excess film using razor against window's edge
9.If bubbles remain, spray film again and use squeegee again to remove remaining bubbles.
10.Towel away water from edges. This prevents water from seeping back into the film.

WELL DONE

# STATIC WINDOW FILM SERIES

## HEAT CONTROL SERIES

**Material Thickness:**

PVC Static Film(0.15mm±0.01mm) + PET Release Film(0.04mm)/Release Paper(150gsm)

**Features:**

While ensuring window transparency, it effectively blocks the entry of UV rays. Particularly during hot summers, it helps save energy and reduce electricity costs.

# ANTI EXPLOSION

## SELF ADHESIVE WINDOW FILM

### ANTI-EXPLOSION SERIES

**Material Thickness:** 2mil; 4mil; 8mil; 12mil + PET Release Film(0.02mm)

**Features:** Made of high-transparency PET material, our product ensures clear visibility after application while offering excellent shatter-resistant performance, effectively preventing glass fragments from scattering upon breakage. With a 99% UV-blocking capability, it not only enhances safety but also protects indoor furniture, reducing discoloration and aging caused by UV exposure, thereby extending the lifespan of furniture and appliances.

# 1 MILLION FAMILIES SERVED
# 3.5 BILLION A4 PAPER SAVED
# 400,000 TREES PROTECTED
## EACH YEAR!

## HOM!DEK ®

## SOCIAL RESPONSIBILITY AND MISSION

In our daily work, school, and life, we come into contact with various paper products. However, years of deforestation have led to air pollution, soil desertification, and the loss of wildlife habitats, bringing numerous natural disasters into our lives. To address this, we launched the HOM!DEK brand with the goal of designing and developing writing and magnetic products that serve as alternatives to paper, playing a key role in the office and educational sectors. Our mission is to encourage consumers to use recyclable office stationery, helping them stay more focused on work and study while maintaining an organized environment, and at the same time, reducing the environmental damage caused by long-term paper waste.

## SOFT MAGNETIC WHITEBOARD SERIES

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Product Regular Size:**
8.5"X11"(21.5cmx28cm); 8.5"x14"(21.5cmx35.5cm); 11"x17"(28cmx43cm); 13"x20"(33cmx51cm); 15"x23"(38cmx63.5cm)

**Accessories Include:**
Magnetic Eraser: 1 Piece
Magnetic Dry Erase Marker: 4 Pieces(Black, Red, Blue, Green)
Fine Tip: 1.0mm～1.5mm

## SOFT MAGNETIC CALENDAR SERIES

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Product Regular Size:** 11"x14"(28cm x 35.5cm)
Set A: Monthly Calendar
Set B: Meal Planner
Set C: Monthly Calendar + Meal Planner + To-Do List
Set D: Monthly Calendar + Weekly Planner + To-Do List
Set E: Monthly Calendar + Chore Chart+ To-Do List

**Accessories Include:**
Magnetic Eraser: 1 Piece
Magnetic Dry Erase Marker: 5 Pieces(Black, Red, Blue, Green, Orange)
Fine Tip: 1.0mm～1.5mm

## SOFT MAGNETIC TASK LIST SERIES

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Product Regular Size:** 4"x10"(10cm x 25.5cm)
Set A: To-Do List + Memo
Set B: Meal Planner + Grocery List + Inventory List + Memo
Set C: Chore Chart + Saving Tracker + Bill Tracker + Memo
Set D: Weekly Calendar + Habits Tracker + To-Do List +Memo

**Accessories Include:**
Magnetic Eraser: 1 Piece
Magnetic Dry Erase Marker: 4 Pieces(Black, Red, Blue, Purple)
Ultra Fine Tip: 0.5mm～0.7mm

## SOFT MAGNETIC STICKY NOTES SERIES

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Product Regular Size:** 3"x3"(7.6cm x 7.6cm)

**Q'ty of Each Color:**
Yellow: 5pcs; Green: 5pcs; Orange: 5pcs; Purple: 5pcs; Pink:5pcs; Blue: 5pcs

**Accessories Include:**
Magneitc Dry Erase Marker: 1 Piece(Black)
Fine Tip: 1.0mm～1.5mm

**Product Shapes:** Square; Heart Shape; Roundness; Hexagon; Flower Shape

## SOFT MAGNETIC 4 in 1 Graph Board

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Single Piece Size:** 17.5"x17.5"(44.5cm x 44.5cm)
**Full Size:** 35"x35"(89cm x 89cm)

**Accessories Include:**
Magnetic Eraser: 1 Piece
Magnetic Pins: 5 Pieces(Blue, Green, Yellow, Red, Orange)
Markers: 3 Pieces(Black, Red, Blue)
Fine Tip: 1.5mm～2.5mm

## SOFT MAGNETIC LABEL SERIES

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Product Regular Size:** 1.2"x3.2"(3cm x 8.2cm)

**Q'ty of Each Color:**
Yellow: 10pcs; Green: 10pcs; Orange: 10pcs; Purple: 10pcs; Pink:10pcs; Blue: 10pcs

**Accessories Include:**
Magneitc Dry Erase Marker: 1 Piece(Black)
Fine Tip: 1.0mm～1.5mm

## SOFT MAGNETIC EDUCATION BOARD SERIES

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Product Regular Size:** 17.5"x24"(44.5cm x 61cm)

**Set A:** Solid Figure Format
**Set B:** Note Pad Format
**Set C:** English Exercise Format
**Set D:** Graph Format

**Accessories Include:**
Magnetic Eraser: 1 Piece
Magnetic Pins: 5 Pieces(Blue, Green, Yellow, Red, Orange)
Markers: 3 Pieces(Black, Red, Blue)
Fine Tip:1.5mm～2.5mm

## MAGNETIC DESK TOP WHITEBOARD SERIES

**Main Material:** Dry Erase Iron Whiteboard + Aluminum Alloy Frame & Post

**Product Regular Size:** 12"x16"(30.5cm x 40.5cm)

**Accessories Include:**
Magnetic Sticky Notes: 6 Pieces(Yellow, Green, Orange, Purple, Pink, Blue)
Soft Magnetic Monthly Planner: 1 Piece
Magnetic Eraser: 1 Piece
Magnetic Pins: 4 Pieces(Black, Green, Yellow, White)
Magnetic Markers: 8 Pieces(Black 3pcs, Red, Blue, Green, Purple, Orange)
Fine Tip: 1.0mm～1.5mm

**Features:** Double side dry erase surface, 360° Adjustable Aluminum Alloy Stand,
Can be used standing or wall-mounted.

## SOFT MAGNETIC 2 IN 1 COACHING BOARD

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Single Piece Size:** 17.5"x22"(44.5cm x 56cm)    **Full Size:** 22"x35"(56cm x 89cm)

**Set A:** Basketball
**Set B:** American Football
**Set C:** Soccer
**Set D:** Hockey

**Accessories Include:**
Magnetic Eraser: 1 Piece
Markers: 3 Pieces(Black, Red, Blue)
Fine Tip:1.5mm～2.5mm
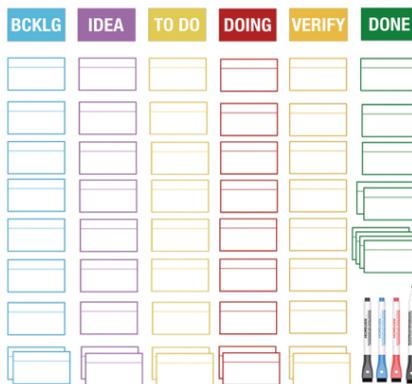

## SOFT MAGNETIC PIANO TEACHING BOARD

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Staff Size:** 17.5"x47"(44.5cmx120cm)

**Piano Key Size:** 6"x23.5"(15.3cmx60cm)

**Accessories Include:**
Magnetic Eraser: 1 Piece
Markers: 3 Pieces(Black, Red, Blue)
Fine Tip：1.5mm〜2.5mm

## SOFT MAGNETIC KANBAN BOARD

**Material Thickness:**
0.40mm Soft Magnet +0.10mm Dry Erase PET Whiteboard Film

**Product Regular Size:** 3"x5"(7.6cm x 12.7cm)

**Q'ty of Each Color:**
Bcklg: 1PC；IDEA: 1PC；TO DO: 1PC；DOING: 1PC；VERIFY: 1PC；DONE: 1PC
Blank Blue: 9PCS；Blank Purple: 9PCS；Blank Yellow: 9PCS□Blank Red: 9PCS；
Blank Orange: 9PCS；Blank Green: 9PCS

**Accessories Include:**
Magnetic Markers: 4 Pieces(Black x 2, Red, Blue)
Fine Tip：1.5mm〜2.5mm

## SOFT MAGNETIC CAR SIGN SERIES

**Main Material:** 0.40mm Soft Magnet +0.10mm Outdoor Use PET Printed Film

## ALL THE SIZES & PRINTED INFORMATIONS
## CAN BE CUSTOMIZED

# SELF ADHESIVE WHITEBOARD SERIES

## INSTALLATION INSTRUCTIONS

1. Clean and dry the wall surface to ensure it's free of dust, dirt, and moisture.
2. Mark the desired position on the wall to prevent misalignment.
3. Peel back approximately 5 inches of the protective film from the adhesive side of the whiteboard, leaving most of the film intact.
4. Carefully attach the exposed adhesive section to the wall, aligning it as planned.
5. Use the included squeegee card to press and smooth the whiteboard onto the wall while gradually removing the remaining protective film.
6. Continue using the squeegee card to eliminate air bubbles and ensure the surface is smooth and even.
7. You're done!  Take a moment to admire your perfectly installed whiteboard.

## SELF ADHESIVE WHITEBOARD FILM SERIES

**Material Thickness:**
0.18mm Dry Erase PET Whiteboard Film + 0.05mm Removable Glue +
150gsm Release Paper

**Product Regular Size:**

FEATURES：
Made from 100% non-toxic, odorless raw materials. A wide variety of design options enhance the aesthetics of your table or floor. Once applied, the film lays perfectly flat on the surface. Its low shrinkage rate ensures a 100% fit for your table or floor. It is easy to clean and resistant to high temperatures. The film can be cut precisely into various shapes, even irregular ones, with machine precision. Each edge of the film is specially treated to effectively prevent users, especially children, from being injured by sharp edges.

## Social Responsibility and Mission

In modern society, environmental protection has become a global concern. Our PVC table mats and floor mats are made from eco-friendly materials and, as odorless products, have gained support and recognition from consumers. They release no harmful chemicals during use, ensuring the health of users. Additionally, the products feature antibacterial and non-slip properties, providing a safe and comfortable user experience. PVC mats are used to protect everyday furniture and flooring, extending their lifespan, and we aim to prevent these mats from becoming a burden to consumers due to quality issues. Therefore, we strictly adhere to environmental standards in the manufacturing process to minimize environmental impact. Since the establishment of the Dekorhino brand, our intent has been to promote sustainable development in society through technological innovation and environmental protection initiatives.

# PVC ESD TABLE MAT

**Standard Thickness:**

1.5mm; 2.0mm; 3.0mm; 4.0mm; 5.0mm (Diviation: Approx. ±0.15mm)

**Thickness Composition:**

Surface Layer: 0.5mm PVC ESD Wearing Layer; Middle Layer: Black PVC Film; Bottom Layer: 0.5mm PVC Conductive Layer

**Standard Color:**

Surface Layer: Green; Blue; Grey   Surface Layer: Glossy; Matt

**Standard Size:**

Piece Size: W x 100cm; W x 120cm; W x 200cm; W x240cm; W x 300cm

Roll Size: 40cm | 60cm | 80cm | 100cm | 120cm | 150cm【Width】x 10m | 20m【Length】

**Products Advantage:**

Anti-static | Wear-resistant | Easy to clean | Non-slip | Flexible installation | Convenient storage | Size flexibility | Wide application range

**Application Scenes:**

Suitable for environments requiring anti-static protection such as electronic factories, laboratories, clean rooms, assembly lines, etc.

It is also ideal for workplaces such as offices, personal workspaces, and hospitals.

| Product Composition | 100% PVC | | | | |
|---|---|---|---|---|---|
| Thickness (ASTM D1593) | 1.5mm | 2.0mm | 3.0mm | 4.0mm | 5.0mm |
| Weight (ENISO 229602) | 2850g/m² | 3800g/m² | 5700g/m² | 7600g/m² | 9500g/m² |
| Stiffness (ASTM D2240) | 75PHR | 85PHR | 95PHR | 100PHR | 110PHR |
| Abrasion Resistance (ISO 4649) | 0.02g/cm² | | | | |
| Surface Resistivity (IEC61340) | $10^6\Omega$ - $10^9\Omega$ | | | | |
| Bottom Resistivity (IEC61340) | $10^3\Omega$ - $10^5\Omega$ | | | | |
| Volume Resistivity (IEC61340) | $10^5\Omega$ - $10^8\Omega$ | | | | |
| Static Decay Time (FED TM 101) | ≤0.1S | | | | |
| Toxic (IEC62321-4) | ROHS | | | | |
| Formaldehyde (ISO 17226) | -- | | | | |

# PVC ESD FLOOR MAT

**Standard Thickness:**

10mm; 15mm; 20mm (Diviation: Approx. ±1-2mm)

**Standard Sizes:**

Sheet Material: 45cm x 60cm; 60cm x 90cm

Roll Material [Width]: 45cm | 60cm | 90cm | 100cm | 120cm

**Thickness Composition:** Surface Layer: 3mm PVC Anti-Static Wear-Resistant Layer
Middle Layer: EPDM Foam Layer
Bottom Layer: 2mm Conductive Layer

**Product Advantages:**

Anti-static | Fatigue relief | Wear-resistant | Easy to clean | Non-slip | Flexible installation | Convenient storage | Size flexibility | Wide application range

**Application Scenes:**

Suitable for environments requiring anti-static protection such as electronic factories, laboratories, clean rooms, assembly lines, etc.

It is also suitable for workplaces where long hours of standing work is required, such as offices, retail spaces, and medical facilities.

## TECHNICAL DATA

| Test Item | Surface | Bottom | Standard |
|---|---|---|---|
| Surface Resistance Value | $10^7\Omega$ - $10^{10}\Omega$ | $10^3\Omega$ - $10^5\Omega$ | GJB2007A-2009 SJ/T10694-2006 GB12158-2006 |
| Volume Resistance Value | $10^7\Omega$ - $10^{10}\Omega$ | | |
| Static Voltage | < 50V ↓ | | |
| Static Decay Time | 0.5S ↓ | | |
| Resilience | 20% | | ASTM D3574 |
| 25% Compression Strength | 98kPa (Middle Layer) | | ASTM 1056 |
| Compression Set (Permanent Deformation) | 20.5% (Middle Layer) | | GT/T6669-2001 |
| Toxic | ROHS | | IEC62321-4 |
| Formaldehyde | -- | | ISO 17226 |
| Dielectric Breakdown Voltage | >1KV | | GB/T1695-2005 |

# HOM!TEX ®

## SOCIAL RESPONSIBILITY AND MISSION

Since almost all of our products are derived from film material, we cannot deliver superior products to consumers without high-quality raw materials. Therefore, raw material quality management is critically important to us. The HOMiTEX brand should stand as a mark of quality for consumers. At the same time, we will continue to develop and improve new products in response to the needs of customers in various sectors and company changes, striving to enhance our competitiveness within the industry.

**PVC SOFT FILM**
Thickness: 0.05mm - 5.0mm
Width: 2.2m Max
PHR: 20 - 65

**PVC RIGID/SEMI RIGID FILM**
Thickness: 0.05mm - 1.0mm
Width: 1.4m Max
PHR: 0 - 20

**EVA/PEVA FILM**
Thickness: 0.05mm - 0.50mm
Width: 2.4m Max

**APPEARANCE CLASSIFICATION:**
Transparent Film, Embossed Film, Opaque Color Film

**ADDITIVE PERFORMANCE:**
Non-Toxic, Hight Elastic, Mildew Proof, Cold Resistance, Fire Retardant, UV Treatment etc.

**APPLICATIONS:**
Tablecloth, Shower Curtain, Raincoat, Inflatable Toys, Folder etc.

## CRYSTAL PVC FILM

**FEATURES:**
CRYSTAL PVC has excellent transparency low cohesion formula to avoid excessive adhesion of the film and facilitate unrolling.

**APPLICATIONS:**
CRYSTAL PVC use for side walls and oors for pergolas tents, wertical rol up curtains, vertial blinds, roll up curtains and pergolas, warehouses, false windows for gazebos, yacht tents.

## TECHNICAL DATA

| Composition | PVC | | | |
|---|---|---|---|---|
| Thickness(ASTM D1593) | 0.50mm | 0.65mm | 0.8mm | 1.0mm |
